A working paper specimen

Abstract One paragraph set in the display and blind targets, exercising the type, the series line, and the footer rule.

Keywords—specimen, masthead

The masthead carries the working-paper identity; the body demonstrates the type it governs — *italic*, **bold** (SemiBold), `code` set in IBM Plex Mono and colored Blueprint, a variable $\lambda_k = \rho \sum_j w_{kj} x_j$ in IBM Plex Math, and a footnote[1].

Surface	Set in
